Boys and girls education programmes on regular basis at District. Considering the huge success in organising these programmes the society has continuously been distributing necessary books free of cost to the participants of this programme. The participants of this programme were benefited largely and parents of the participating children were agreed to encourage others to join these programmes aimed at welfare of the masses. Further, the society has decided to establish a school in the area of cater to the educational needs of the local people. Attempts are being made to generate funds of the same purpose as and when the management funds it practical it will start working on the project.

## **CHILD & WOMEN'S WELFARE PROGRAMME**

**Children are pillar of our future, so we can not neglect the potentiality and importance of children.** Keeping in mind and to help the women society establish a counselling & referral centre in different areas of district to settled the needy women on temporary basis and tries to help them by solving their problems that they became able to settled in their family again and became self-dependant. The society has organised a programme on women right at District-Mahoba. In this programme was attended by a member of women participants. The NGO's and the member of society told about the fundamental rights of the women and also ask to educate all the women in rural and urban areas to stand face a problem which always happens in their lives time to time.

## **HEALTH AWARENESS PROGRAMME**

Above mentioned programme was organized to aware and educate the people about preventive treatment of contagious diseases including basic knowledge of safe motherhood, ANC/PNC/RTI/STD/Family planning , participant eligible couple/target couple were counselled about small family norms. Contraceptives also distributed on this occasion. The population of our country surpassed 120 crores. This over population eats into all the developmental processes. Lack of resources, food water, job, health care facilities, schools and thousands of other problems owe their origins to this over population. The awareness about the benefits of having a very small family is still very low in our country particularly in the areas of the capital of Uttar Pradesh where the population density is disproportionately high.

Considering very high level of reluctance on part of the villages to adapt the family planning methods the population explosion has taken place causing deterioration in the available sources like Food, Education, Housing, Employment etc. A camp was organised by the society at Kanpur Nagar.

## **ANIMAL HUSBANDRY & DAIRY PROGRAMME**

In order to provide training to the rural people as per Government policy about animal husbandry along with dairy farming. Specially goat, cow & buffalo. And how they can develop these programme and how to get better position in his society or community. They also can avail has facility of subsidy from the Government. So that rural people can adopt as self-employment and get more benefit by least investing. In this training about 40 farmers participated with great enthusiastic and interest. some of them has started their work and earning money by utilizing their knowledge and skill.

## **COMMUNITY DEVELOPMENT PROGRAMME**

All above program's can be organized with SHG & individually. Our organization solve their problem with help of experts & skilled persons by which they can earn much more knowledge and benefits. The people may be prosperous for their community, district, states & finally result for the country.
